

Ashley Tisdale - It's alright, it's OK

1. Listen to the song and write the verbs in parenthesis in simple present or simple past.

You **(tell)** me there's no need
To talk it out 'cause it **(be)** too late
To proceed and slowly
I **(take)** your words
And **(walk)** away

(Chorus)

(not waste) your fiction tears on me
Just save them for someone in need
It **(be)** way too late
I'm closing the door

No looking back
I won't **(regret)**, no
I will find my way
I'm broken
But still I **(have)** to say

(Chorus)

It's alright, okay
Alright, okay
Without you
No matter what you say
It's alright, okay
Alright, okay
Without you
I won't be sorry

(Chorus)
It's alright, okay
I **(be)** so much better without you
I won't be sorry
Alright, okay
So don't you bother what I do
No matter what you say
I won't **(return)**
Our bridge has burned down
I **(be)** stronger now
Alright, okay
I **(be)** so much better without you
I won't be sorry

You **(play)** me, betrayed me
Your love was nothing but a game
Portrayed a role
You **(take)** control, I
I couldn't help but fall
So deep
But now I **(see)** things clear

It's alright, okay
I **(be)** so much better without you
