

Let's Be Friends - Emily Osment

1. Order each verse of the song.

- _ Hey, what's your name?
- _ Think I'll be turning that around.
- _ Don't you wanna know, what it would feel like?
- _ Wait, what'd you say? Is that your girlfriend?
- _ Don't you wanna?
- _ I think I like you. Come a little closer now
- _ Don't you wanna?

Chorus

- _ I'm knocking you down, down, down.
- _ Everyone knows I'm getting my way.
- _ You're so hot let me show you around.
- _ I see what I want and I wanna play.
- _ I'm knocking you down, down, down.
- _ It doesn't matter what you say.
- _ Let's be friends so we can make out.
- _ I'm knocking you down.

- _ Hey, let me flip though the pages to something outrageous.
- _ Don't you wanna?
- _ But don't get your hopes up, first let's just hook up.
- _ Maybe you'll be what I'm looking for.

- _ Don't you wanna know, what it would feel like?
- _ Potentially maybe it could be more.
- _ Don't you wanna?

Chorus

- _ Don't need no admission.
- _ Cause I'm on a mission.
- _ The way...
- _ You got my permission.
- _ You got my attention.
- _ There's no need to mention.
- _ The way you feel.

- _ Cause you're in my vision.
- _ There's no need to question.
- _ I need a decision.
- _ Cause this is real.
- _ My every intention.
- _ Cause this...
- _ So take a position.

Chorus x2
