

Jordin Sparks – One step at a time

1. Listen to the song and circle the word you hear.

Hurry up and **wait/way**

So close, but so far away

Everything that you **always/never** dreamed of

Close enough for you to taste

But you just **can't/can** touch

You wanna show the world but no one knows yours name yet

Wonderin' **when/where**, where and how you're going to make it

You know you can if you get the chance

In your face and the **door/dorm** keeps slamming

Now you're feeling more and more frustrated

And you getting all kinda impatient

Waiting, we live and we **learn/love**

CHORUS

To take one step at a **time/line**

There's no need to rush

It's like learning to **fly/ride**, or falling in love

It's gonna happen when it's supposed to happen

And we find the reasons why

One step at a time

You believe, and you **doubt/shout**

You're confused, and got it all figured out

Everything that you always wished **for/fall**

Could be yours, should be yours, would be yours

If they only knew

You wanna show the world but no one knows yours name yet

Wonderin' **when/where**, where and how you're going to make it

You know you can if you get the chance

In your face and the **door/dorm** keeps slamming

Now you're feeling more and more frustrated

And you getting all kinda impatient

Waiting, we live and we **learn/love**

CHORUS

When/where you can't wait any longer (you can't wait)

But there's no end in time (when you need to find the strength)

It's your faith that makes you **stranger/stronger** (the only way we get there)

The only way we get there

Is one step at a time

CHORUS
