1. Activity – Circle the word you hear.

My tea's gone cold

I'm wondering why I got out of bed at **all** / **aloud**

The morning rain clouds **droop** / **up** my window

And I can't **see** / **sea** at all

And even if I could

It'd all be grey

But your picture on my wall

It reminds me that it's not so bad

It's not so **bad** / **bade**

I drank too much last **knight** / **night**

Got bills to **paid** / **pay**

My head just feels in **pain** / **pane**

I missed the bus and **their** / **there**'ll be hell today

I'm late for work again

And even if I'm there

They'll all imply

That I **might** / **may** not last the day

And then you call me and it's not so bad

It's not so bad

And I want to thank you

For giving me the best **day** / **daze** of my life

Oh, Just to be with you

Is having the best day of my life

Push the door, I'm **at** / **ate** home at last

And I'm soaking **through** / **threw** and through

Then you handed me a **hand** / **towel**

And all I see is you

And even if my house falls down now

I wouldn't have a **clue** / **clew**

Because you're near **me** / **my**

And I want to thank you

For giving me the best **day** / **daze** of my life

Oh, just to be with you

Is having the best day of my life

And I want to thank you

For giving me the best **day / daze** of my life

Oh, Just to be with you

Is having the best day of my life
