## 1. **Circle** the correct option to complete the lyrics of the song

I **OPEN / CLOSE** my eyes,  
Only for a moment  
And the moment **IS / WAS** gone.  
All my dreams  
**GO / PASS** before my eyes of curiosity.  
Dust in the wind:  
All they **IS / ARE** is dust in the wind.

Same old song,  
Just a **DROP / CROP** of water  
In an endless **SEA / SEE**.  
All we **DID / DO**  
**BUILDS / CRUMBLES** to the ground,  
Though we **REFUSE / WANT** to see.

Dust in the wind,  
All we **WERE / ARE** is dust in the wind

Now, don't **CALM / HANG** on;  
Nothing **LASTS / LOSES** forever  
But the earth and sky;  
It **SLIPS / SLEEPS** away,  
And all your money  
Won't another minute **TRY / BUY**

Dust in the wind:  
All we **HAVE / ARE** is dust in the wind.  
Dust in the wind:  
Everything **WAS / IS** dust in the wind.

Everything **IS / AM** dust in the wind.  
In the wind
