

Mandy Moore - I wanna be with you

1. Complete the song with the verbs from the parenthesis. Use simple present tense.

I _____ (**try**) but I can't seem to get myself
To think of anything but you
Your breath on my face
Your warm gentle kiss, I _____ (**taste**)
the truth
I taste the truth

You _____ (**know**) what I came here for
So I won't ask for more

(Chorus)

I wanna be with you
If only for a night
To be the one who _____ (**be**) in your arms
Who _____ (**hold**) you tight
I wanna be with you
There _____ (**be**) nothing more to say
There's nothing else
I _____ (**want**) more than to feel this way
I wanna be with you

So I'll _____ (**hold**) you tonight
Like I would if you were mine
To _____ (**hold**) forever more
And I'll savor each touch that I wanted
So much to here before (To feel before)
How beautiful it _____ (**be**)
Just to be like this

(Chorus)

Oh baby, I _____ (**can not**) fight this feeling anymore
It _____ (**drive**) me crazy when I _____ (**try**) to
So call my name
_____ (**take**) my hand
And make my wish,
Baby, your command

I wanna be with you
There _____ (**be**) nothing more to say
There's nothing else I _____ (**want**) more than to feel this way
(I wanna be) I wanna be with you
I wanna be with you
Wanna be with you
I wanna be
I wanna be with you...
