

One Last Time – Ariana Grande

1. ~~Cross out~~ the words from the sentences in bold that are not part of the song.

I was a ~~beautiful~~ liar

I gave into the fire

I know and I should've fought it

At least I'm being honest

I feel like a failure

'Cause I know that I failed you

I should've done you much better

'Cause you don't want a liar

****Pre-Chorus****

And I know, and I know, and I know

She gives you more everything

But, boy, I couldn't give it to you

And I know, and I know, and I know

That you got everything

But I got nothing from here without you

****Chorus****

So one last time

I need to be, the only one, who takes you home

One more time

I promise, after that, nobody I'll let you go

Baby I don't care if you got her in your heart

All I really care is you to wake up in my arms

One last time

I need to be the one who takes you my home

I don't deserve it

I know I don't deserve it

But we stay with me a minute

I swear I'll make it worth it

Can't you forgive me again?

At least just temporarily

I know that this is not my fault

I should've been more careful

****Pre-Chorus****

****Chorus****

****Chorus****

I know and I should've fought it

At least I'm being honest

But I stay with me a minute

I swear I'll make it worth it, babe

'Cause I don't want to be here without you

****Chorus****

One last time

I need to be the one who takes you home
