Imagine me and _____, I do

And you say _____ belong to me
And ease my mind (ease my mind)
Imagine how the world could be
So very fine (very fine)
So happy together

_____ can't see me loving nobody but you
For all my life
When _____'re with me
Baby the skies will be blue
For all my life

CHORUS

Me and you
And _____ and me
No matter how they tossed the dice
It had to be
The only one for me is _____
And you for me
So happy together

_____ can't see me loving nobody but you
For all my life
When _____'re with me
Baby the skies will be blue
For all my life

***CHORUS* (x2)**

So happy together
How is the weather
So happy together
We're happy together
So happy together (x3)
